The Pentecostal Church of Corydon, Inc., was established in the year of 1926 by R.A. and Osa A. Richardson and their friends, neighbors and other Assemblies where they had preached, that lent a helping hand, that the full Gospel message might go forth in its fullness in this place.

This church work has gone up to the present date on the Faith line trusting God for our every need. Many souls have been saved and added to this church and many have passed away to their home beyond.

This church was purchased from the Baptist Church of Bentonville, also known as Peoria and was

torn down and rebuilt by W.H. Nickolls and his son Harry.

This church was Incorporated on January 18, 1946. Several different ministers have preached in this church and have made all of God's people welcome.

The first trustees were; R.A. Richardson, Dan. Ockerman and W.O. Hand., and at the present time the trustees are; W.O. Hand, Ed. Mastin and Raymond Bishop.

At the present time the Church and Sunday School are going strong for God.
